TOPAZ SYSTEMS INC.

KioskGem 1x5
T-S261-K Series

The Topaz® KioskGem® 1x5 (T-S261-K) is a small electronic signature pad designed for ruggedness, reliability, and portability. Featuring a polycarbonate signing area and small footprint, it is powered solely by your computer's data port.

Designed for public-access and kiosk-mount applications, the KioskGem 1x5 mounts to a surface with no exposed cables or fasteners. Additionally, the pen is connected with a high-stress tether rated at 160 lbs.

Key Features:

- Lexan signing surface
- Public-access and kiosk-mounted application
- Rugged, durable technology
- Signature seen on the computer screen only
